

Sulphur Springs Public Library Mission and Vision Statement

Mission Statement:

The Sulphur Springs Public Library will:

1. Provide the information needed to succeed at school, at work, and in personal lives.
2. Furnish the reading, viewing and listening materials and programs to enhance patrons' knowledge of the world and improve their quality of leisure time.
3. Promote the joy of reading and love of learning.
4. Increase accessibility to electronic information resources.
5. Encourage the community's use of the Sulphur Springs Public Library resources and services.

Vision Statement:

The Sulphur Springs Public Library is committed to serving the public as an information center to inform, enrich and empower every individual. The library promotes lifelong learning. It is a center for culture, recreation and information in all of its forms.
