Sulphur Springs Public Library welcomes the opportunity to recruit teens and youths as library volunteers for a number of activities throughout the year.

QUALIFICATIONS

Sulphur Springs Public Library Young Adult Volunteer Program is open to teens and young adults ages 16-22 who are interested in offering their free time, on a regular basis, to assist in any number of tasks which are an integral part of the facilitation of operations and the wellbeing of the library.

Library Young Adult Volunteers must be able to meet the following basic criteria in order to participate:

1. Commitment of at least 30 hours of volunteer work over the summer months; or weekly on a regular ongoing basis.
2. A brief interview before being enrolled into the Young Adult Volunteer Program.
3. Attendance of a mandatory orientation session.
4. Physical abilities including frequent and extended periods of walking, stooping, bending, squatting, kneeling and standing on floor; lifting, pushing and carrying objects of moderate to heavy weight (up to 50 lbs.).
5. Ability to use the online catalog, and find items on the shelf using call number tags.

Library Young Adult Volunteers are a tremendous asset to the library and library staff members. They work alongside of and in conjunction with employees to ensure that library activities flow smoothly and effortlessly. Their enthusiasm and contribution go far in their interest in assisting the library. Thus considerations to those who maintain a corporative, friendly and courteous disposition are highly probable candidates.

TRAINING

An orientation/training session is mandatory for all potential Library Young Adult Volunteers. At the end of the training session a determination will be made as to whether they are or will be suitable for his or her assignment and the tasks at hand. Attendance to an orientation session does not automatically mean that a trainee is accepted. Library Young Adult Volunteers trainees who do not meet successful completion of the training program or who become a problem or hindrance in their ability to serve as a young adult volunteer may be dismissed at any time without reason or cause per the discretion of the Director.

RESPONSIBILITIES AND TASKS

The relationship of a Library Young Adult Volunteer to library staff is an important one. Duties have been pre-assigned depending upon need; therefore, are an important part of library planning, functionality and purpose. With this in mind, each young adult volunteer is responsible to report to the library at their assigned times and complete all duties in a
timely fashion; is responsible for a specific set of duties and will be expected to close out on all tasks before completing their shift. Likewise, each volunteer has a unique place as a contributor to the esthetics and maintenance of the collection, thus should be aware of this at all times.

**Library Young Adult Volunteers** will be subject to the same rules, regulations and guidelines as library employees. All volunteers are expected to complete tasks without assistance and may not be accompanied by friends, parents or aides during their shift.

**DRESS AND ATTIRE**

Library Young Adult Volunteers, while on duty, are expected to adhere to dress guidelines put in place by Sulphur Springs Public Library and City of Sulphur Springs (See Patron conduct/Dress Code attached)

**TELEPHONE USE AND PERSONAL BELONGINGS**

While on duty, **Library Young Adult Volunteers** are encouraged to refrain from use of cellphones, except in the case of an emergency. Cellphones and personal belongings should be left in a safe place until the end of their assigned shift.

Transportation is the responsibility of each volunteer. In the case of a volunteer who must be dropped off and/or picked up from the library, it is important to know that drivers will not be permitted to wait in the employee lounge or back office areas. Nor will family members, friends or supervisors be permitted to assist/accompany young adult volunteers while on duty.

**ATTENDANCE**

**Library Young Adult Volunteers** are generally asked to work a special schedule or extended duty during the summer. Although most schedules have been pre-assigned, there are other times when this cannot be determined. In these cases, special arrangements will be made to accommodate young adult volunteers based on timeframe. Consistent with attendance, it is extremely important that Library Young Adult Volunteers be flexible and amenable to all assignments and duties, as there will also be anticipated down times and periods when youth volunteers will be granted off temporarily. Additionally it is also important that times and periods when volunteers know the library attempts to provide assignments conductive to each volunteer, and by no means desires to denigrate the role of volunteer by assigning punitive or belittling assignments or tasks which will leave volunteers feeling helpless or frustrated. If you have questions about your task assignment let your supervisor know immediately!

**DUTIES AND ASSIGNMENTS**

A list of prescribed duties and assignments will be developed between the supervisor and the volunteer after the orientation session. These duties may include, supporting library staff during various library programs, moving tables and chairs, dusting/straightening/cleaning/rearranging different areas of the library, assisting patrons by using online catalog and finding the item in the library, along with many others.
